PROFILE

Media Production Major with a minor in Digital Media, with experience working in public broadcasting, over a decade of video experience, and the ability to quickly turn content around for posting. Seeking a full-time production position where I can plan and create content for linear and online distribution.

WORK EXPERIENCE

Digital Video Fellow

Ball State Public Media

August 2024 - Present

- Edited down several hours of footage into a 20-minute video
- Worked on several stories for Ball State PBS's original series, "Now Entering"
- Edited various social media videos for distribution on BSPM's social media platforms
- Cut down and touched up several audio segments for BSPM's NPR series, "Pop of Culture"

Station Manager

Carmel High School Television (CHTV)

August 2020 - May 2024

- Managed many aspects of Carmel High School's television station
- Transformed the station's programming to better appeal to students and teachers, resulting in higher viewership
- Led the station to win 13 national awards and 7 state awards
- Produced a feature-length documentary exploring the history of the station through interviews and archival data
- Planned and launched a loyalty program to help the program acquire funds
- Produced four video packages that aired on the station
- Led a breakout session in New York City at the Intercollegiate Broadcasting System's 2024 conference

Freelance Videographer

Jack Ringenberg Media

November 2022 - Present

- Created a series of short videos, each discussing a tip about using Chromebooks. The series has amassed over 10k views on YouTube
 - Produced a film highlighting Carmel High School's Class of '24 that was shown at the 2024 graduation ceremony
 - Worked with Carmel High School's Communications department to produce a series of ads highlighting the department's different offerings
 - Collaborated with Carmel High School's Computer Science Honor Society to create a series of 14 short videos highlighting important cybersecurity tips
 - Created a 35-minute talk show that featured 3 segments, 8 original ads, and 2 promotional bumpers
-
